AREA SURVEYED
4.000 TOTAL ACRES
0.418 R/W ACRES
3.582 NET ACRES

NOTE

Site topography and configuration of the property may prohibit installation of the preferred soil absorption-based type of household sewage treatment system. In the event that replacement of the current system is required and site conditions or regulations prevent the installation of the preferred type system, it will be necessary to obtain coverage under the Ohio EPA National Pollutant Discharge Elimination System permit, and to install and properly maintain an approved off-lot discharging system.
