Single Line (past year)

Displays parcels that have sold over the past year in the order chosen. Only a single line of limited data is provided. This can be useful when looking for comparable properties.

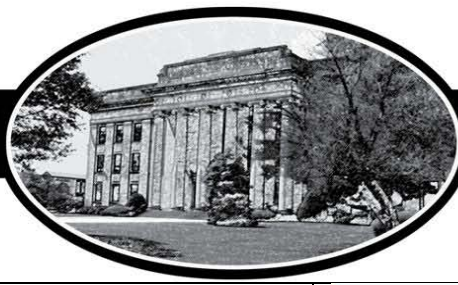

Screen 1 allows the selection of the sort order.

Screen 2 shows the results in the order selected.

Advanced

1. Open a spreadsheet program
2. Highlight the contents of the table on the web page
3. Press Ctrl+C (copy) on your keyboard
4. Select the upper left column of your spreadsheet
5. Press Ctrl+V (paste) on your keyboard
6. You may now manage the data in your spreadsheet.

Multi-Line (past year)

Displays parcels that have sold over the past year in the order chosen. Displays more data then the single line version, but it does not copy well to a spreadsheet. This can also be useful when looking for comparable properties.

Screen 1 allows the selection of the sort order.
